PROSPECTUS

Prior Learning Assessment & Recognition

» About Us

Skill Development Education Board (SDEB) is working under the aegis of skill development program formulated by Govt. of India Skill Development Education Board has been Registered under a regulatory body established by Govt. of India. SDEB primarily focus in skill development and Vocational Training, Education, Counselling. and Guidance. SDEB is an Autonomous body, an ISO 9001:2015 Accredited Certified Institute. SDEB is an authorized National Coordinator of an Organization which Conducts Collaborative Training Program and Providing Govt. Approved Courses.

» Mission

The mission of Skill Development Education Board is to fill skill gap prevailing in Informal Sector and Unorganized Market in India. Since its inception, Skill Development Education Board is primarily engaged in the areas of skill development and training, development of models and teaching methodologies to strengthen the non formal education sector, services dissemination across semi urban and rural, all of which are aimed at achieving an objective of addressing the skill gaps pertinent to the emerging needs of a rapidly growing economy.

» Vision

Under Skill Development Education Board, trainees with prior experience or skills and competencies will be assessed. This will be an important step towards recognizing the skills possessed by workers working in the informal sector and their inclusion. This will also facilitate the process of skill upgradation and re-skilling of the existing workforce. The focus of Skill Development Education Board would be on those job-roles/sectors in which it is most desired and it will be accompanied with a strong advocacy campaign to promote a paradigm shift in the labour market to make skill training to standards aspirational.

DCA: Diploma in Computer Application

There is a significant demand for skilled manpower for handling software, infrastructure and services in industries. There is also a shortage of manpower to provide IT training in schools, private computer institutes and industries. The IT-skilled-manpower shortage remains a problem for the all markets, Keeping this in mind, 'SDEB' has proposed the diploma in computer application program. With computer technology constantly changing, operators must be adaptable and willing to learn. This program prepares every student for any entry level role such as a computer support person in business or organizations where people rely on computers to complete the works.
